Parts are Parts

Figure 1 UBA® Transport Motor and Motor Spacer

Part No. 241141 and 142-090429R

Description: UBA Transport Motor and Motor Spacer

Usage: In 2015, the UBA CPU Motor connection was changed to a DF3 (Black) 2-pin connector. For compatibility, the UBA Transport Motor Harness was also changed to the DF3 connector. When replacing the UBA Transport Motor, the Motor Spacer (Figure 1) must also be replaced to ensure proper fit and alignment when installed in the UBA Transport.

To install the Motor Spacer onto the Transport Motor:

1. Remove the protective cover from the Motor Spacer to expose the Spacer's Adhesive side.
2. Carefully align both holes on the Spacer's Adhesive side with the Screw Holes on the Transport Motor. Press the Spacer onto the Motor until it adheres to the Motor.
3. Install the Transport Motor onto the UBA Transport.

The Latest JCM Software Listing (shown above) identifies specific software versions that have been released to OEMs. It is the responsibility of the OEM to obtain all required approvals from Gaming Regulators and Jurisdictional Authorities necessary for use of approved software versions. Contact the Game Manufacturer (OEM) for information on specific software releases approved for use within your gaming jurisdiction.

JCM recommends using the latest version for maximum acceptance, security, and performance.

JCM Service Offerings

JCM offers the following services to help keep your JCM Products performing within factory specifications:

- Warranty and Non-Warranty Service and Repair
- Custom Training Classes
- Unit Exchange Programs
- Preventive Maintenance Programs
- ICB Data Analysis
- Validator Performance Analysis

JCM Global® Is The Source For All Your Display Needs!

JCM Global incorporates the latest digital display technology (single screen to large scale video wall solutions), digital content creation services and networked solutions for all your media needs. JCM Global products combine unsurpassed color uniformity and the best pixel-to-pixel resolution available in the Gaming industry in an easy-to-install package. JCM Global MAX-S™ provides a high-resolution interlocking panel solution for large scale LED Video screens. JCM Global FLEX™ offers articulating panels for curved surface implementations. JCM Global CUBE & FLOOR™ supports 3-D Video Displays and JCM Global ELEMENTS™ supports outdoor installations. For details, visit the JCM Global website at www.jcmglobal.com!

FREE ONLINE TRAINING

Technicians need training, but is time or class availability a problem? JCM Online Training offers classes to meet your schedule and your needs. JCM Online Training Programs feature the same content as JCM On-site Training with the added convenience of flexible scheduling. Visit training.jcmglobal.com for more information or to register for classes.

Technical Bulletin 201910 October 2019

Technical Tip

Question: The JCM Global Exchange® Site has had a major update. What changes have been made?

Answer: The JCM Global Exchange® Site has been enhanced to improve JCM Customer access to gaming regulator-approved Bill Validator and Printer Firmware, and includes:

- Improved **Landing Page** - The first page displayed after login identifies Firmware versions recently added to the user account and quick links to the most commonly downloaded Firmware files.
- Streamlined **User Interface** - Drop-down menus and links allow direct access to Firmware files for specific JCM products and models.
- Simplified **Account Management** - Custom Dashboard and Preference settings can filter and display Firmware files based on Customer download history and product requirements.
- **24/7 Access** to the latest Firmware updates approved for use in a Customer's jurisdiction.

For a demonstration of the JCM Global Exchange Site, visit JCM at G2E (Booth #4039) October 15-17, 2019 at the Sands Expo, Las Vegas, Nevada.

For additional information on JCM Products, visit the JCM Global website at www.jcmglobal.com, or contact your local JCM Sales Representative at (800) 683-7248.
