Parts are Parts

Figure 1: UBA® ICB® PCB Module (Standard Cash Box)

Part No. 300-100186R

Description: UBA® ICB® PCB (Standard Cash Box)

Usage: The Intelligent Cash Box PCB Module (refer to **Figure 1**) is installed on the UBA Standard Cash Box. Powered by a lithium chromium battery, the ICB Module contains the memory used to store UBA Banknote Acceptance data, UBA Performance data and circuitry used to communicate with the UBA and Count Room Docking Station. The Intelligent Cash Box PCB Module is the main component used for transferring UBA Historical data to the Count Room system and ultimately to ICB Web Reports.

Note: The UBA ICB Module is activated by turning on the Power Switch on the lower right side of the module (refer to **Figure 1**), then placing the Cash Box on a Docking Station to initialize the memory.

The Latest JCM Software Listing (shown above) identifies specific software versions that have been released to OEMs. It is the responsibility of the OEM to obtain all required approvals from Gaming Regulators and Jurisdictional Authorities necessary for use of approved software versions. Contact the Game Manufacturer (OEM) for information on specific software releases approved for use within your gaming jurisdiction.

JCM recommends using the latest version for maximum acceptance, security, and performance.

JCM Service Offerings

JCM® offers the following services to help keep your JCM Products performing within factory specifications:

Preventive Maintenance Programs	Unit Exchange Programs
Custom Training Classes	ICB® Data Analysis
Warranty and Non-Warranty Service and Repair	Validator Performance Analysis

FutureLogic® Joins the JCM Global® Family

JCM Global proudly offers FutureLogic printers and coupon solutions, including the GEN3 Evolution® and GEN2 Universal™ Printers, and Ticket2Go™, TableXchange®, and PromoNet® Systems products, in addition to the Nanoptix line of printers, including the award-winning PayCheck 4™ Printer. FutureLogic's diverse product line offers key technology platforms for growth and recurring revenue for the banking, gaming, kiosk, retail and transportation industries, supporting JCM's 'customer first' philosophy and 'best in class' components with more freedom of choice in unique and innovative peripheral solutions.

FREE REGIONAL TRAINING

Give your technicians the tools they need to keep your customers happy and your equipment running at peak efficiency.
