

Customer Notification

Notification No.: 20180924

Version: 1.0

Page: 1 of 1

Release Date: September 24, 2018

Effective Date: September 24, 2018

Notification Status: Advisory Mandatory Announcement

Classification: Firmware Hardware Policy/Procedure

Description: Bank of Canada \$10.00 Note Release

Hardware: All

Territory: All

Interface: N/A

Check Sum: N/A

Firmware Version(s): See below

CRC (seed = 0000): N/A

Conditions:

The Bank of Canada unveiled a new vertical \$10.00 Bank Note reflecting on rights and social justice in Canada. The note will feature Viola Desmond, and features many advanced security technologies unique to this new generation of Bank Note.

According to the Bank of Canada, this new note will begin circulation in late 2018, and will co-circulate with the existing \$10.00 polymer Bank Notes for some period of time.

Resolution:

JCM Engineering has released new firmware versions for all products and protocols to our OEM Partners, including the acceptance of this new Bank Note and enhancements to Acceptance and Security for all existing Bank Notes in the marketplace. JCM is working with our OEM Partners and Regulatory Testing Agencies to expedite release of the following new Firmware versions to the field:

Product	Protocol	Version
