### Casino Mediterráneo Names JCM Global Preferred Supplier for Bill Validators, Printers at its Three Spanish Casinos

#### *iVIZION®, GEN2 Universal™ Named Preferred Products*

DUSSELDORF, Germany (22 March 2016) – Each of the three casinos operated by [Casino Mediterráneo](#) will soon make even better customer connections, now that the Group has named [JCM Global](#) its preferred supplier of bill validators and printers.

Specifically, Casino Mediterráneo named JCM's award winning [iVIZION®](#) its preferred bill validator and the award-winning [GEN2 Universal™](#) its preferred printer for its three casinos in Spain: Casino Alicante, Casino Benidorm, and Casino Orihuela-Costa.

The designations came after Casino Mediterráneo tested iVIZION and GEN2 Universal live on the casino floor for several weeks. Previously, the Group was using several different types of bill acceptors and printers and the successful test convinced the Casino Mediterráneo to specify iVIZION and GEN2 Universal for all new gaming devices coming to its three casinos.

Casino Mediterráneo Slot Manager Cipriano Jover said, "We were very impressed with iVIZION and GEN2 Universal. The product quality, combined with JCM's very high level of service, made the decision for us to choose JCM and its products a very easy one."

JCM EMEA General Manager Payam Zadeh said, "We are honored to have been selected as the preferred supplier to Casino Mediterráneo. Casinos in Spain and across the entire EMEA region continue to choose JCM and our award-winning line of products because of their outstanding quality, durability, and reliability."
