Gaming Industry Veteran Mark Hutchinson Joins JCM Team As Director Of Public Gaming And International Sales

LAS VEGAS – JCM American has brought gaming industry veteran Mark Hutchinson to the JCM team as the company's Director of Public Gaming and International Sales. As Director, Hutchinson will oversee the company's two business segments, providing expertise and direction.

Hutchinson is recognized around the world as an expert in lottery and public gaming, having lived and worked in the UK and South African lottery markets for 12 years. He recently returned to the U.S., where he worked for International Game Technology (IGT) in the company's public gaming area. Hutchinson will remain in the U.S. and will be based out of JCM's headquarters in Las Vegas.

JCM Vice President Tom Nugent said, "We are dedicated to expanding our business in video lottery markets around the world, and a critical component of a video lottery machine is cash acceptance and validation of a country's currency. Bringing Mark to JCM makes sense, because he brings a unique combination of lottery industry experience and extensive video lottery expertise, making him a natural to fit with the public gaming and international areas of our business."

About JCM

JCM American Corporation is the industry leader in currency handling equipment. From its international headquarters in Osaka, Japan and subsidiaries in Hong Kong and Germany to its United States headquarters in Las Vegas, JCM's progressive spirit continues to set world-wide industry standards with innovative products such as the World Bill Acceptor (WBA).
