### **JCM Global Helps Operators Make Better Customer Connections at GTI Asia Taipei Expo 2015**

TAIPEI, Taiwan (April 9, 2015) – Gaming and amusement operators the world over rely on [JCM Global](#) for fast, secure transaction solutions, and now the company is bringing better, smarter, faster technologies to the [GTI Asia Taipei Expo](#). The show takes place 7-9 May at the Taipei World Trade Center, and attendees can find JCM and a world of technologies on stand #B-10.

JCM Taiwan Sales & Business Manager Neil Lu said, “We are very excited to exhibit at GTI Asia Taipei, one of the leading events in the global electronic gaming/amusement industry. JCM’s products are field-proven to be secure, fast and reliable, and we are eager to show operators how our products will help them deepen customer connections.”

JCM technologies help operators make better connections with their customers, and that connection begins with JCM’s line of highly secure bill validation technologies. JCM will show the award-winning iVIZION®. iVIZION is the foundation of intelligent validation and is globally field-proven in the gaming and amusement industries. Its CIS technology captures the entire image of a note or ticket, and iVIZION defeats counterfeiter with advanced optical and magnetic sensing and the most efficient anti-fishing technology available, all while maintaining a 99%+ acceptance rate.

JCM will also show the TBV™, Vega™, iPRO™, DBV-400™ and DBV-500™ bill validators, as well as the Vega-RC™, Vega-RC Twin™, iPRO-RC™, which have optional note recycling packages.

The connection deepens with JCM’s line of industry-leading printing technologies. The FutureLogic GEN2 Universal® printer is compatible with today’s games and was built on a platform for interoperability and easy integration with the next generation of games, and an easily accessible USB port allows for easy firmware updates.

JCM will also show the BlueWave™ and BlueWave Deluxe™ hand-held firmware update tools.

For more information on how JCM’s award-winning solutions can help you make better connections, visit JCM on stand B-10 at GTI Asia Taipei Expo or anytime at [www.jcmglobal.com](http://www.jcmglobal.com).
