

PRESS RELEASE – FOR IMMEDIATE RELEASE

JCM Global Serves Up Strong Product Line-Up at EuroCIS 2022

JCM Global is preparing for EuroCIS 2022, the largest trade expo for retail technology which will be held from the 31 May to 2 June in Düsseldorf.

On Stand number F25 in Hall 9, visitors to the fair will find an array of payment solutions and related products for the retail sector on the JCM Global stand.

JCM Global is proud to unveil its new **VEGA PRO™** at the show. This offers advanced technology and higher security than the original landmark VEGA banknote acceptor. It also boasts an enhanced lifecycle, barcode/coupon scanner and easy plug and play to existing installations.

In addition, the **Modular Banknote Recycler™ (MRX™)** will also be in Düsseldorf. Offering high reliability with drum recycling technology, the MRX™ ensures smooth, secure transactions. The modularity of the MRX allows the operator to choose between the multiple configurations for individual needs.

Other banknote storage and distribution solutions to be shown at EuroCIS including the following:

- **UBA PRO™ Family** of bill acceptors – which has set new standards in automated transactions across the kiosk, retail, and gaming industries.
- **GSR 50-LD™ is** – an ideal component for the mid-size deposit safes with processing speed of approx. 3 banknotes per second. The CIS validation technology and recycler options also make GSR50 suitable for different types of payment kiosks.

JCM will also be showing the **Fujitsu F56™** compact banknote dispenser with a modular design featuring two removable, lockable cassettes as standard, with the capacity to attach up to six for a total of 3,000 banknotes to dispense.

From JCM's strategic partner Diebold Nixdorf – visitors to the stand will be able to see the Self Check Out (SCO) offer – the **DN iCash40™** note recycling unit.

“This is just a small selection of the many products that we have to show the retail sector at the EuroCIS 2022 show, says Payam Zadeh General Manager EMEA & Managing Director UK · JCM Global. “Speed and reliability are more essential than ever and the rise in popularity of self-service checkouts require secure solutions. We look forward to seeing our customers in Düsseldorf.”
