### **JCM Global Helps Operators across Southern U.S. Build Connections with Customers at Southern Gaming Summit**

LAS VEGAS (April 22, 2015) – In gaming markets across the U.S. and around the world, [JCM Global](#) helps operators of all sizes build better connections with their customers with JCM's industry-leading technologies. Now JCM is bringing its better, smarter, faster solutions to [Southern Gaming Summit](#), where JCM will exhibit in booth #825.

JCM will show a wide array of its award-winning product portfolio encompassing bill validation technology, printing technology and system solutions.

Among its bill validation technologies, JCM will show the iPRO™, DBV-400™, DBV-500™ and the award-winning [iVIZION®](#). iVIZION is a landmark product in the gaming industry and has been sensationally successful in markets around the world, including throughout the southern U.S. iVIZION is the foundation of intelligent validation and has the most advanced optical and magnetic sensing capabilities and anti-fishing technology available. iVIZION sees the entire note or ticket and has an acceptance rate exceeding 99 percent.

JCM will also show its line of FutureLogic printing technology, featuring products with the speed, flexibility and durability to meet operators' demands.

JCM's system solutions include the globally recognized Intelligent Cash Box® (ICB) system, PromoNet®, intelligent couponing, TableXchange® TITO system, and Dynamic Network Applications™ (DNA). GLI tested for functionality, the powerful DNA gives operators real time enhanced views of their games and in-game hardware across the entire operation, all from a mobile device.

Start making better connections by joining JCM in booth 825 at Southern Gaming Summit and on Facebook, LinkedIn and Twitter.
