### **JCM GLOBAL NAMED “BEST STREET SUPPLIER OF THE YEAR”**

LAS VEGAS, Nevada and DUSSELDORF, Germany (February 9, 2012) – [JCM Global](http://www.jcmglobal.com), the world's leading casino solutions provider, is kicking off what promises to be a winning 2012, being named “[Best Street Supplier of the Year](#)” at the Totally Gaming Awards 2012. JCM's two recycling products, UBA-RC<sup>®</sup> and Vega-RC<sup>™</sup>, were the primary drivers for winning the recognition as best street supplier.

“We were thrilled to stand in the winner's circle, named Best Street Supplier of the Year, and the award underscores our deep commitment to the industry across Europe,” said JCM Global EMEA General Manager Payam Zadeh.

The award served as a perfect start to JCM's presence at the [ICE Totally Gaming tradeshow](#), where JCM celebrated its win, met with current and potential customers from across Europe, and introduced its newest bill validator, the iPRO-RC<sup>™</sup>.

“On our stand at ICE, our customers were very interested in a wide range of products, including our award-winning [iVIZION](#)<sup>®</sup>, UBA<sup>®</sup> and UBA-RC bill validators, our award-winning Vega-RC<sup>™</sup> validator, and they were very receptive to our newest product, the iPRO<sup>®</sup> and iPRO-RC<sup>®</sup> bill validators. Additionally, our display solutions dazzled and our award-winning PayCheck 4<sup>™</sup> thermal printer impressed everyone with its speed, memory and durability,” Zadeh added.

JCM was also nominated as “Payment Solutions Provider Company of the Year” in the International Gaming Awards.
