JCM Global's Award-Winning Bill Validator and Printing Solutions Lead Company's Exhibit at AHG 2017

SYDNEY, Australia (9 March 2017) – [JCM Global's](#) portfolio of award-winning products is recognised worldwide for helping operators make better customer connections. Now JCM is exhibiting its better, smarter, faster bill validators and printers at the [Australasian Hospitality & Gaming Expo](#).

AHG 2017 takes place 29 & 30 March at the Brisbane Convention & Exhibition Centre, and JCM will be on stand #200.

JCM will show its line of bill validators, led by the [iVIZION®](#) and the UBA® (Universal Bill Acceptor). JCM's industry-leading iVIZION protects operators from counterfeiters and cheats with a powerful combination of sensing and anti-stringing technology. iVIZION's CIS technology captures the entire note or ticket for the ultimate in security.

The landmark UBA accepts currencies up to 85mm wide and has superior magnetic and optical sensing technology, coupled with anti-pullback technology and an automatic retry feature.

From its portfolio of printers, JCM will show the new GEN5™, the next generation of printer technology. GEN5 features a faster processor, dual channel communications, intelligent ticket handling for TITO and promotional couponing, and it is FUZION™-ready when combined with iVIZION.

The GEN2 U™ thermal printer is equipped with ITH® (Intelligent Ticket Handling) technology, a large paper capacity, and an expanded graphics memory.

JCM's ICB® (Intelligent Cash Box) system is field-proven to reduce human errors and variance, adding increased speed and accuracy to the drop process. Optional web reports deliver a variety of real-time reports from across the slot floor.
